Mrs. Sherry Cook
Executive Director
Texas Alcoholic Beverage Commission
P.O. Box 13127
Austin, TX 78711-3127

Dear Mrs. Cook:

In light of yesterday's senseless act of murder and violence among members of several biker-gangs at a Twin Peaks restaurant in Waco, Texas, we are writing to encourage the Texas Alcoholic Beverage Commission (TABC) to take the actions necessary to permanently revoke the TABC license held by the franchisee of the Twin Peaks in Waco.

After reviewing numerous reports of Twin Peaks management's lack of cooperation with law enforcement officials prior to yesterday's incident, which could have possibly prevented this tragedy from occurring, we find the franchisee's disregard for public safety disturbing and therefore believe they have no business holding a license to operate in the State of Texas.

We applaud your efforts in instituting a Summary Suspension for the franchise. We hope TABC will take further action to prevent a tragic event of this magnitude from ever happening again. Thank you for your consideration in this important matter.

If we can be of any assistance, please do not hesitate to contact our offices.

Sincerely,

Wayne Smith
