

FOR IMMEDIATE RELEASE: Realtors support Lance Gooden for Congress

Apr. 18, 2018 – RPAC, the political arm of the National Association of REALTORS®, announced its endorsement of State Representative Lance Gooden for Texas' 5th Congressional District, following a unanimous recommendation from TREPAC, the Texas Association of REALTORS® Political Action Committee.

TREPAC Chairman David Alan Cox cited Gooden's dedication to homeownership issues during his tenure in the Texas House as the primary reason for their support, stating that, "Lance Gooden has a thorough understanding of complex policy issues as a result of his work representing East Texas in the statehouse and we have full confidence he will continue to stand up for Realtors, homeowners and private-property rights while serving in Congress."

The National Association of REALTORS® was founded in 1908 and is America's largest trade association with approximately 1.2 million members including NAR's five commercial real estate institutes and its societies and councils. REALTORS® are involved in all aspects of the residential and commercial real estate industries and belong to one or more of some 1,400 local associations or boards, and 54 state and territory associations of REALTORS®.
