About the Sine Die Smokers Capitol Cooking Team

Formed in 2003, the Sine Die Smokers are a group of friends from in and around the Capitol who get together once a year to have a little fun and do a lot of good. Each year we host an event to raise money to help our community.

In the last 23 years, we have raised more than \$1,230,000 for area charities.

We are so appreciative of our many sponsors who make this possible!
